

第一屆

Taiwan Sng Society Annual Meeting & Research Workshop

台灣痠痛研究學會
7th 學會年會暨第七屆工作坊

Sep9-10 Sat-Sun National Taiwan University, College Medicine 102 lecture hall 台大醫學院102講堂
主辦單位 Organizer: 台灣痠痛研究學會 Taiwan Sng Society, 台灣疼痛醫學會 Taiwan Pain Society

Saturday, September 9, 2023

ACIDOSIS-ASSOCIATED SNG & PAIN

Time	Title	Speaker
8:00- 8:20	Registration	
8:20- 8:30	Opening remark	
8:30- 9:00	Oral Blitz	
OPENING KEYNOTE : ACUPUNCTURE & SNG		
9:00- 9:50	針灸止痛之研究與臨床應用 Clinical practice and research of acupuncture analgesia	林昭庚 Jaung-Geng Lin
9:50-10:10	Coffee break	
ACIDOSIS-RELATED PAIN: NOCICEPTION OR SNGCEPTION?		
10:10-11:00	Keynote ▶ Acid-induced muscle pain: ASICs, P2XRs and cytokines	Kathleen A Sluka
11:00-11:30	A role for proprioceptors in sngception	陳志成 Chih-Cheng Chen
11:30-12:00	Why Do We Need the Concept SNG: A Linguistic Point of View	蘇以文 I-Wen Su
12:00-12:30	頒獎典禮暨會員大會 Oral Blitz Competition Awards Ceremony & General Assembly	
12:30-13:30	理監事聯席會議 Joint Meeting of the Board of Supervisors and Boards of Directors	
SNG & PAIN		
13:30-14:00	Morbid soreness in fibromyalgia	洪志憲 Chih-Hsien Hung
14:00-14:30	Low levels of vitamin B2 or B6 were associated with sngception in patients with muscle pain and degenerative lumbar spine diseases	陳貞吟 Jen-Yin Chen
14:30-15:00	The role of spinal astrocytes in acid-induced hyperalgesic priming	陳建璋 Chien-Chang Chen
15:00-15:30	TDAG8-modulated signaling contributes to the early and late phase of neuropathic pain	孫維欣 Wei-Hsin Sun
NEUROBIOLOGY OF PROPRIOCEPTION		
15:30-16:00	Poster Session/Coffee break	
16:00-16:30	Glutamatergic autoregulation of primary mechanosensory terminals	Guy S Bewick
16:30-17:00	Submodality integration for joint position sense	裴育晟 Yu-cheng Pei
17:00-17:30	Proprioception in spinal circuit plasticity (online)	Aya Takeoka
17:30-17:40	Closing remarks	

Sunday, September 10, 2023

CLINICAL IMPLICATIONS OF PROPRIOCEPTION TRAINING

Time	Title	Speaker
8:30- 9:00	Registration	
9:00- 9:10	Opening remark	
9:10- 9:40	Proprioception and vestibular rehabilitation	李亭儀 Ting-I Lee
9:40-10:10	前庭復健 Vestibular rehabilitation	高崇蘭 Chung-Lan Kao
10:10-11:00	Keynote ▶ The proprioceptive system as a new regulator of musculoskeletal biology	Elazar Zelzer
11:00-11:30	Can proprioception be trained? The link between proprioceptive training and motor performance	曾鈺婷 Yu-Ting Tseng
11:30-12:10	Efficacy of Tai Chi Chuan Module on Proprioceptive Dysfunction	孫維仁 Wei-Zen Sun 李佩懿 Pei-Yi Lee
12:10-12:20	Closing remarks	

Call for Abstracts Now!!!

ABSTRACT SUBMISSION

Date

<https://forms.gle/MGmBX1DD7iCnVboN9>

Abstract Submission Deadline Extended: **July 31, Mon**

Notification of Abstract Acceptance: **August 7, Mon**

Deadline of Registration Fee & Oral PPT file: **August 20, Sun**

Date of Presentation: **September 9, Sat**

8:00- 9:30 Posters Set-Up

8:30- 9:00 Oral Blitz

12:00-12:05 The Awards for the Oral Blitz

15:30-16:00 Poster Presentation

17:00-17:30 Poster Dismantling

3 min Oral blitz

1st Place: TWD10,000

2nd Place: TWD 6,000

3rd Place: TWD 3,000

(2 awards) Outstanding Pres.: TWD 1,000

9/7 Thu. 14:00 – 17:00
Hands-on Workshop

『擷取小鼠肌梭』

主講人: **Dr Guy Bewick**

地點: 中研院生醫所N321

報名連結: <https://forms.gle/T1aeBLZSviuUA8RF8>

Taiwan Pain Society
台灣疼痛研究學會
www.taiwanpain.org

7/31 報名截止

REGISTRATION FEE

Category	Member	Non-Member
9/9 Sat	Free	TWD 1,000
9/10 Sun	Free	TWD 1,000

1. Non-member:
One-Day Only TWD 1,000; Full Two-Day Conference TWD 2,000.
2. Members can attend all conference for free.
3. Early registration (**9/1 Friday**) provide the payment by **bank transfer**.
4. **After the deadline**, payment must be made in **cash** and paid in person at the registration counters.
5. All memberships expire **Dec 31** of year purchased.

Membership	Individual
New member fee	TWD 2,000
Annual member fee	TWD 1,000
Permanent	TWD 20,000

Bank Details

銀行名稱 Bank Name	臺灣土地銀行 Land Bank of Taiwan
銀行代號 Bank code	005
匯款戶名 Account Name	台灣痠痛研究學會
匯款帳號 Account Number	004001903093
備註姓名 Please include your name in the remarks section of the bank transfer.	

第一屆

Taiwan Sng Society Annual Meeting

2023 Sep 9, Sat 8:00-17:40

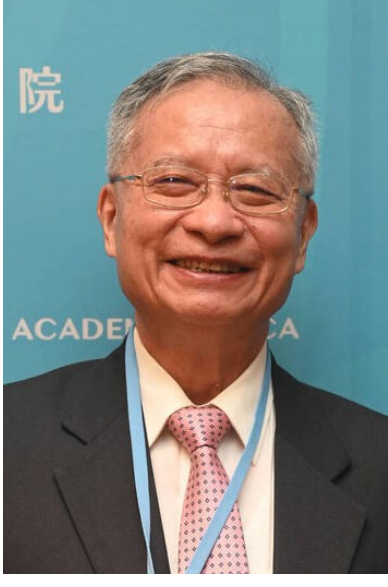

台灣痠痛研究學會

學會年會

National Taiwan University, College Medicine 102 lecture hall | 台大醫學院102講堂

Acidosis associated sng and pain

9/9 Sat 9:00-9:50

針灸止痛之研究與臨床應用

Clinical practice and research of acupuncture analgesia

林昭庚 Jaung-Geng Lin

Traditional Chinese Medicine, China Medical University, TW.

Traditional Chinese medicine; acupuncture and moxibustion, Chinese medicine.

9/9 Sat 10:10-11:00

Acid-induced muscle pain: ASICs, P2XRs and cytokines

Kathleen A Sluka

Physical Therapy and Rehab Science, US

Peripheral and central mechanisms of chronic musculoskeletal pain, and non-pharmacological treatment for chronic pain.

9/9 Sat 16:00-16:30

Glutamatergic autoregulation of primary mechanosensory terminals

Guy S Bewick

Biomedical Science Institute of Medical Sciences, University of Aberdeen, UK.

Mechanism of nerve-muscle systems in motor and sensory.

9/9 Sat 17:00-17:30

Proprioception in spinal circuit plasticity (online)

Aya Takeoka

Department of Neurosciences, KU Leuven, BEL.

Understand how animals learn to generate and control motor behavior in health and disease.

第七屆

台灣

痛研究工作坊

7th Taiwan Sng-Pain Research Workshop | National Taiwan University, College Medicine 102 lecture hall

2023/9/10(日)8:30-12:20 台大醫學院102講堂 | 台北市中正區仁愛路一段1號

Clinical implications of proprioception training

9/10 Sun 10:10-11:00

The proprioceptive system as a new regulator of musculoskeletal biology

Elazar Zelzer

Weizmann Institute of Science, IL.

Understand the biological and biomechanical principles governing musculoskeletal development and function, maintenance and regeneration, as well as aging and pathology.
